January 20, 1928.

Mr. Lester Watson,
87 Milk Street,
Boston, Mass.

Dear Sir:

It has been suggested by one of your fellow-townsmen that you might care to consider an invitation to become an Associate Member of the American Numismatic Society. We are especially desirous of having in our organization those who are interested in the progress of numismatics, and would gladly welcome your support. You would receive our publications, which usually exceed in cost, the $ 5.00 dues of Associate Membership. In addition, you would be entitled to subscribe for medals we may issue.

If this invitation receives your favorable consideration, will you kindly sign the enclosed card. It can then be presented at the next meeting of our Council.

Very truly yours,

Secretary.
